

Dear Candidate,

Congratulations on your excellent academic record! You are being considered for membership in the Marianas Chapter of the National Honor Society. Membership in the National Honor Society is based on excellence in four areas - Scholarship, Character, Service and Leadership. Each area is judged independently.

You are eligible for membership because your 90% or better cumulative grade point average during your high school career. In addition to your academic standing, participation and leadership in school and community activities are required. You must complete an Activity Information Form to be reviewed by the faculty council.
